I would just like to introduce myself and our Clay Shooting Gun Club.

My name is Kelly and I manage the day to day running of Dartford Clay Shooting Club here in Dartford.

The ground itself is extensive and we have an in house catering service which serves all types of warm and cold foods and beverages. The large clubhouse benefits from a snooker table & large screen TV for the customer to relax in before and after their shooting experience with us.

We have recently renovated our "Have A Go" lesson station and it is now bespoke to the rest of the shooting ground it is under cover and is great for all weather and situated only 10 metres from the clubhouse. The station is also totally enclosed so if the shooter or group of shooters require total privacy this can be done at ease. We also have several professional coaches on site that give tuition on the "Have A Go" lessons.
